14. The language of all parts of this Settlement Agreement shall in all cases be construed as a whole, according to its fair meaning and not strictly for or against any of the

Parties.

15. Neither this Settlement Agreement nor any other instrument or document referred to herein or therein may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

16. The headings used herein are for convenience only and do not constitute matters to be considered in interpreting this Settlement Agreement.

17. Should any immaterial provision of this Settlement Agreement be declared or be determined by any court of competent jurisdiction to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining parts, terms or provisions shall not be affected thereby and said illegal, unenforceable or invalid part, term or provision shall be deemed not to be a part of this Settlement Agreement.

18. This Settlement Agreement sets forth the entire agreement between the Parties and fully supersedes any and all prior agreements and understandings, written or oral, between the Parties pertaining to the subject matter hereof.

19. This Settlement Agreement shall be binding upon and inure to the benefit of the Parties, their respective heirs, executors, successors, administrators and assigns.
